WE'VE GOT EXCITING NEWS

You've come to expect a high level of service from Able Computer Services. Now, Able is offering an exciting new way to assist you with your IT needs. Ask yourself these questions:

- Are you tired of not knowing how much you are going to spend on computer support & repairs each year?
- Would you like to eliminate the surprise costs that are caused by unforeseen repairs?
- Would you like to have the benefits of a full time IT staff for a fraction of the cost?

If you answered "YES" to any of these questions, then call Able Computer Services today, to inquire about one of our Support Solutions Packages.

With a Support Solutions Package from Able, you will have the **piece-of-mind** of knowing that not only will you receive the same **quality** service, but your costs will be fixed, and you'll receive additional **benefits** only available to Support Solutions Package customers.

Able Computer Services understands the need for immediate attention to your computing problems. We also know that a full time IT staff can often be cost prohibitive. That's why we developed our Support Solutions Package. **We can provide you with the benefit of a full time IT staff for a fraction of the cost.**

A Support Solutions Package gives you the opportunity to budget your computer expenses, eliminating the surprises caused by unforeseen repairs.

Simply pay a nominal fee based on your computing equipment each month, and we'll do the rest.

Doesn't your business deserve that kind of treatment?
