

N1015 Notebook System

Featuring a 12.1" Wide WXGA LCD Display and Intel® Centrino ready technology, the N1015 is a necessity for your mobile workforce.

Equus recommends Microsoft® Windows® XP Professional.

Nobilis® N1015 Notebook

The compact design of the N1015 makes it a must have for people on the move. At only 4 lbs. you will not leave home without it.

Perfect for executives who need to stay connected. The 12.1" wide screen design is a great fit for airplane travel, and the Centrino Mobile technology enables extended battery life on the road. It's so light, it doesn't make sense to leave it behind.

Priced well below other 12" models the N1015 is one of the most economical thin and light models on the market. Configure yours today at www.EquusCS.com or contact your sales representative.
