

N1016 Notebook System

The N1016 is designed to fit your mobile lifestyle. Thin, light, and comes standard with a 14 inch widescreen display!

Equus recommends Microsoft® Windows® XP Professional.

Nobilis® N1016 Notebook

With a stylish look and numerous features the N1016 is an easy sell. A 14" Wide Screen WXGA, classy white shell, and a built in web camera make this system an everyday mobile companion.

Based on the latest Intel 915 chipset technology and configured with Intel Celeron® M or Pentium® M Processors, and configured with your choice of memory, hard drive, OS and service plans you can create the exact mobile solution you need. The N1016 comes standard with NVIDIA NV44m 64MB graphics , audio, on-board modem and LAN, 802.11 a/b/g wireless, Lithium-Ion battery, and a 4-in-1 media card reader.

If you want a versatile notebook powerful enough for all of your digital needs, order the N1016 lifestyle notebook today at www.EquusCS.com
