

N3013 Notebook System

Featuring cool and quiet VIA Processors, the N3013 provides mobility at a value level price.

Equus recommends Microsoft® Windows® XP Professional.

Nobilis® N3013 Notebook

Power and performance on a budget -- now that's an impressive balancing act! The Nobilis N3013 is powered by the VIA® C3 Nehemiah Processor. With all the I/O ports you could ever need, and featuring a 14.1" XGA TFT display this value notebook is a great choice!

Based on the configuration, the N3013 is an excellent cost / performance-balanced notebooks solution. The VIA processor runs especially cool and quiet for maximum performance.

If you demand a quality notebook on a tight budget then choice just became much easier. Log on to www.EquusCS.com to custom configure the N3013 today.
